Re: Request for investigation of Daniel Walden Edwards filed by Iris Eytan, 23-1113

Dear Ms. Eytan:

The Legal Regulation Committee considered this matter and determined that the interests of the public will best be protected by requiring that the attorney enter into a confidential agreement.

Diversion is an alternative to discipline authorized by the Colorado Supreme Court. It does not constitute discipline.

Thank you for your willingness to bring this matter to our attention and for your cooperation. Your involvement in the attorney disciplinary process is a vital part of the Supreme Court's efforts to ensure that attorneys abide by the Court's standards of professional ethics.

Sincerely,

Erin Robson Kristofco
Senior Assistant Regulation Counsel
